Please read and check the appropriate answers:

- 1) I have been evaluated by a physician or dentist for the condition being treated within the last twelve months prior to having acupuncture performed. Yes No

- 2) I have received a referral from my chiropractor within the last 30 days for acupuncture. Yes No

I recognize that I should be evaluated by a physician for the condition being treated by the acupuncturist. In being referred by my chiropractor, if after 120 days or 30 treatments, whichever comes first, if no substantial improvement occurs in the condition being treated, I understand that the acupuncturist is required to refer me to a physician.
